Approved with Merit	0	Lunch Price - Secondary	\$1.00
Approved with Warning	0	Pupil Transportation Program:	
Not Approved	0	Average Daily Ridership 1997-98	62
High School Graduates:		District Owned Operation	
High School Diplomas-Regular	19	* Certificates of Completion issued at a district level	
Other Completions*	0	** Limited English Speaking (LEP)	

Superintendent's Highlights

Changes in the school board has made the school administrative job much easier this year. Couple this with the hiring of a competent business manager/clerk has greatly improved my job satisfaction.

School board members and the administration are searching for a way to build a much needed library, science room, computer lab, business ed. room, distance learning room, and agriculture technology room as economically as possible for the patrons of our school district.

A drop in enrollment has made school financing a difficult task. As a result one teaching position was eliminated for the 1999-2000 school year.

Although there are some obstacles to overcome the district administration remains optimistic and has a positive outlook at improving instruction and learning for students.

Progress Towards Meeting District Goals

1998-99 Goals	Progress
School Facilities Improvement	Some doors and windows were replaced to make our building more secure and safe for students and teachers. Chain link fence was installed at one end of the playground next to the street and up to the school building to keep elementary students in the playground.
Improvement of Instruction and Student Learning	Reading and Intensive Phonics were stressed in grade K-6. The Waterford Program was used in kindergarten. The Accelerated Reading Program was used in grades 1-6. Fifty in a Minute (math) was part of each day's activities in the elementary grades. Saxton Math was adopted for grades K-12. Only slight improvements have been noticed in ITBS and TAP test scores.
Improved Technology	Our district continues to apply for grants that will help to improve technology delivery and learning.

Student Profiles

Ethnicity

Race	Male	Female	Total
White	41.67%	41.15%	82.82%
Black	0.00%	0.00%	0.00%
